Ha! I don't think OPPT has something similar.

I thought the OPP briefing was rather basic and wasn't sure it would be worth your time. Thus I sent you the slides. If you want a briefing, the leads would surely be more than happy to do it and we could ask for examples. Lets connect Tuesday when I can get your feed back on the Monday briefings and then we can give them a better sense of direction.

I have received many OPPT briefings but I'm not sure you need/want them all. You should look at my folder of slides and pick some good ones...

Extremely nice. I presume something similar in OPPT? If opp wants to brief me, then I would need less methods slides and instead several examples.

Cheers!
